It includes settlements, court costs, interest on judgments, investigations, adjustments expense, mediation, arbitration and legal expense to defend the claim of a Covered Person. Damages covered under the Policy do not include mental or emotional injury, mental anguish or mental or emotional stress, regardless of whether the injury, anguish or stress is covered by the employer's plan. LEGAL DEFENSE

The Carrier has the right and the duty to defend any suit against the employer for claims based on an Occupational Injury. The employer must immediately notify the Carrier of any lawsuit served or written demand made by any Covered Person. Defense counsel will be appointed by the Carrier. No other party has the right to employ counsel to represent the Carrier's interest. All defense costs are paid outside and in addition to the CSL maximum.

LIMITS OF LIABILITY

The Policy will pay benefits or reimburse payments only for the amount in excess of the deductible up to the limits in the Policy. We may reduce the amounts of payments applied to the deductible if we determine they are in excess of Usual, Customary, and Reasonable charges. In no event will the Policy be required to pay benefits below the deductible. The Policy shall have no obligation to reimburse any sum under the Policy until the deductible is satisfied. If the Covered Person is protected against any loss covered under the Policy by any other insurance, indemnity, or reimbursement contract, the Policy shall apply only in excess of the other contract of insurance, indemnity, or reimbursement.

The Combined Single Limit for any one Covered Person is the most the Policy will pay or reimburse for payments made to any one Covered Person whether payments or reimbursements are made under one or more of the benefits provided by the Policy for any one Covered Occurrence. The aggregate per Covered Occurrence is the most the Policy will pay or reimburse for the amounts paid to or on behalf of all Covered Persons who suffer Occupational Injury as a result of any one Covered Occurrence. The Policy aggregate limit is the most the Policy will pay or reimburse for payments made to, or on behalf of, any or all Covered Persons for claims incurred during the Policy Term. The Policy aggregate limit includes any and all amounts payable for defense costs of a claim under the Employer Indemnity Coverage.

POLICY AND PREMIUM REQUIREMENTS

- Minimum Group Size: 2 lives
- Minimum Monthly Premium: \$100.00
- Monthly Administrative Fee: \$30.00
- Policy or Enrollment Fees: None
- ERISA Plan Document Fee: \$100.00 to \$250.00

- Payroll used to calculate premium should be based on actual gross payroll, exclusive of bonuses, overtime and commission, for the calendar month immediately preceding the premium due date.

ADMINISTRATION

Special Insurance Services, Inc. (SIS) is the third party administrator for the STEP program. SIS acts on behalf of the Carrier. Once coverage is bound, SIS will issue a Policy, along with an ERISA plan document and Summary Plan Description, as well as all the necessary forms for the employer.

PREMIUM PAYMENTS

The initial rates are guaranteed for 12 months. The first Premium is due on the Policy Effective Date. After that, premiums will be due monthly unless We agree on some other method of premium payment. The amount of premium due can fluctuate from month to month due to changes in coverage, payroll, or the number of covered persons. SIS will send a supply of premium reporting forms after coverage is bound, which are used to calculate and report premium to ACE American Insurance Company. Please note a minimum monthly premium of \$100 applies to keep the Policy in force. If any premium is not paid when due, the Policy will be canceled as of the Premium Due Date after a 31 day grace period.

ERISA REQUIREMENTS

An occupational injury plan established by an employer is subject to the Employee Retirement Income Security Act of 1974 (ERISA). Therefore, this product is only available to employers that maintain an ERISA plan for occupational injuries. SIS will provide the employer with all necessary forms to roll-out a new ERISA plan to its employees. The Plan will include an arbitration agreement, so that any dispute arising between an injured employee and the employer can be resolved exclusively by binding arbitration. **It is the responsibility of the employer to implement the ERISA plan and arbitration program to all current and future employees. This is an integral part of the program and the Carrier will require proof of roll-out.**

CLAIMS ADMINISTRATION

SIS is the claims administrator for the program. Therefore, all claims should be sent to our office for processing. SIS will adjudicate the claims on behalf of the employer's ERISA plan. If the charges are under the deductible amount of the Policy, we will request funding from the employer.

PPO NETWORKS

The use of a PPO network is voluntary. Employees are not required by our plan to use certain providers, however we do have access to a network and certain bills will be sent to the PPO for repricing. Fees for repricing amounts under the deductible shall be the responsibility of the employer.
